

Second Line Jazzband

traditional jazz from Sweden

The Second Line Jazzband was formed in 1989 in Gothenburg, Sweden, and since then has established a position as one of the most popular traditional jazz bands in Europe. Original improvisations and arrangements and a tremendous intensity in our playing have given us opportunities to perform at many jazz clubs and festivals, on TV and radio in, for example, England, Germany, France, Belgium, Switzerland, Netherlands, Scotland, Northern Ireland, Lithuania, Finland, Denmark, Norway and, of course, Sweden.

Many prominent musicians have guested our band over the years such as Antti Sarpila, Lillian Boutté and Orange Kellin.

Our unique style comes from our widely differing musical backgrounds but above all it is the New Orleans revival style which gives us the greatest inspiration and is the kind of music we specialize in.

The Second Line Jazzband has recorded 14 CDs with a mix of traditional jazz and spirituals, but we are not afraid of playing numbers by Bob Dylan, Janis Joplin, Louis Prima, Pete Seeger and Bob Marley.

The latest CD “Monkey Man” was released in December 2015.

We do our best to keep the New Orleans music alive!
